SINGLES – For the second consecutive week, we have a #1 debut. This last happened in October '02 when *The Ketchup Song* debuted at #1 only to be replaced the very next week by Nelly's *Dilemma*. This week t.A.T.u has replaced Delta Goodrem at #1 after just one week at the top. Jennifer Lopez debuts strong at #3 with her latest single *All I Have*, while king of Hip Hop Ja Rule enters at #7 with *Mesmerize*., featuring the vocal talents of Ashanti.

No.1 ALL THE THINGS SHE SAID – t.A.T.u. The #1 song this week goes to two teenage Russian girls who have already taken Europe and America by storm. t.A.T.u. are Volkova Yulia Olegovna and Katina Elena Sergeevna and have been described as the most controversial and scandalous act to ever come out of Russia. The girls claim that they are lesbians (gimmick or genuine? – you decide) and the video shows them in school uniforms, in the rain, getting really close (if you know what I mean). Due to the attention this act has attracted it is no surprise that it has hit #1 as it has in the UK. Their debut album is called *200km/h In The Wrong Lane* and is released this week.

No.3 ALL I HAVE – Jennifer Lopez feat L.L. Cool J. J-Lo returns to the ARIAnet singles chart with a bang, with her highest ever debut chart position. *All I Have* is the second single to be lifted from her third album *This Is Me...Then*, and features the rapping prowess of L.L. Cool J. *All I Have* also peaked at #1 on the Billboard Hot 100, staying there for two weeks.

No.7 MESMERIZE – Ja Rule feat Ashanti. Ja Rule seems to be everywhere these days with collaborations between him and many of the hip hop genres heavyweight names. His last track *Thug Lovin'* featured Bobby Brown and peaked at #7 back in January. *Mesmerize* sees Ja Rule team up with Ashanti once again and features a video very much inspired by the graduation day scene from the musical *Grease*.

No.11 YOU PROMISED ME (TU ES FOUTU) – In-Grid. In-Grid is an Italian dance artist who has had major success in her homeland and other European countries with this track. *You Promised Me (Tu Es Foutu)* was first heard in its original French language version in 2001 and quickly became a hit. This is the first single to be released from In-Grid's forthcoming album which was produced by Larry Pignagnoli & Marco Soncini.

No.13 LOVESONG – Amiel. Amiel will be remembered for her vocals on the Josh Abrahams dance hit *Addicted To Bass* as well as starring alongside Russell Crowe as an 11 year old in *The Silver Brumby*. *Lovesong* is Amiel's debut solo single and was produced with the help of Josh Abrahams.

No.26 THUGZ MANSION – 2PAC. Just like Elvis, 2PAC continues to release music well after he departed this earth for the ghetto in heaven. This is his first single release since June 2001 when *Until The End Of Time* peaked at #34 and is also his first top 30 single since *Changes* peaked at #7 in 1999.

No.29 UP – Shania Twain This is the title track to Shania Twain's follow up to the 34 million selling *Come On Over*. The album *Up!* debuted at #1 in November '02, while the first single *I'm Gonna Getcha Good* debuted at #14 in the same month. Shania was recently nominated as best female artist for the upcoming *American Country Music Awards*.

No.31 SOUND OF THE UNDERGROUND – Girls Aloud. Girls Aloud are a new group formed from what is now a well used technique – Popstars. Popstars – The Rivals was the latest incarnation of the concept and Girls Aloud were the female winners. This is their debut single which won the competition in the UK for the #1 holiday single. They were up against male counterparts One True Voice.

No.32 STRENGTH OF A WOMAN – Shaggy. Shaggy certainly came back with a vengeance with his platinum single *Hey Sexy Lady* peaking at #4 last month. *Strength Of A Woman* is Shaggy's homage to all the women that have shaped his life – everybody say ohhhhh!!

No.47 THE BITTER END – Placebo. *The Bitter End* is the brand new single from the always ambiguous trio Placebo. This is their highest debuting single so far in their career and the first from their fourth album *Sleeping With Ghosts*, which will be released next week.

No.49 HERE IT COMES AGAIN – Melanie C. The most successful Spice Girl (commercially and critically) is back with her second solo album *Reason*, with *Here It Comes Again* being the first single to be lifted from it. Melanie C's biggest hit came in May of 2000 when her single *Never Be The Same* peaked at #2 and shipped platinum as did the next single *I Turn To You* four months later. *Here It Comes Again* was co written with Marius De Vries and Robert Howard from The Blow Monkeys.

No.81 OPEN UP – Cog. Bondi rock act Cog made their first foray into the ARIAnet singles chart back in October 2002 with *Just Visiting Part 2* (#90). *Open Up* was originally a dance hit for Leftfield / Lydon back in 1994 but has now been given a rock makeover by the local trio. *Open Up* is sitting at #7 on the ARIAnet Hard Rock & Metal chart with Cog kicking off a tour to promote the new single.

No.82 TRUTH IS NO WORDS / THE PEOPLE – The Music. The Music are one of the darlings of the UK rock scene with some glowing reviews, especially for their live performances. This is the first time that The Music have had a single in the ARIAnet singles chart, while their debut eponymous album peaked at #25 two weeks ago. This is a double A-side featuring new track *Truth Is No Words* as well as the title track to their *The People EP* which was released back in July 2002.

ALBUMS – No major action in the albums chart this week with Norah Jones still at the top of the rope. 50 Cent has made a move into the top 5 for the first time with his album *Get Rich Or Die Tryin'* up three places to #4. Elton John has made it into the top 10 with his new *Greatest Hits 1970-2000* album debuting at #10.

No.10 GREATEST HITS 1970-2002 – Elton John. Reginald Kenneth Dwight aka Elton John presents us with his 34th top 20 album, *Greatest Hits 1970-2002*. With 34 songs, this double CD features everything from his first top 10 hit in 1971- *Your Song*, to the Grammy award winning *Can You Feel The Love Tonight*, from the blockbuster children's movie, *The Lion King*, as well as his more recent tracks. Elton recently announced that he is to perform with John Mayer on March 23 at Elton's forthcoming Oscar night party.

No.34 STATUES – Moloko. UK duo Moloko release their fourth album *Statues* this week. The first single *'Familiar Feelings'* debuted at #46 on the ARIAnet singles chart earlier this month. Moloko made a huge impact with their top 20 hit *Sing It Back* back in 1999. *Statues* has achieved Moloko's highest ever ARIAnet albums position, bettering their effort with the album *Things To Make And Do* by four places.

No.38 SO LONG, ASTORIA – The Ataris. Californian based 4 piece punk rock band, The Ataris make their second ever appearance on the ARIAnet albums chart, with *So Long Astoria*. The Ataris made their ARIAnet debut back in 2001, with *End Is Forever* which debuted at # 81. Songwriter Kris Roe says that the album was inspired by his youth and went to great lengths to recapture his childhood.

No.75 MAID IN MANHATTAN – Soundtrack. *Maid In Manhattan* is the new movie starring Jennifer Lopez and Ralph Fiennes. The soundtrack to the movie features a big time lineup of artists such as Kelly Rowland, Norah Jones, Daniel Bedingfield, Diana Ross, The Pointer Sisters and Simon & Garfunkel.

No.79 THE DOUBLE LIFE – Skulker. Those four spunky chicks from Sydney's North Shore have finally cracked it for a place in the ARIAnet albums chart with their second album *The Double Life*. The first single from the album is called *Coming Home* while the album was produced at Mangrove Studios on the central coast. Their debut album *Too Fat For Tahiti* made it to #17 on the ARIAnet Alternative chart in August 2000.
